Here are some suggestions for best art reproduction:

Black and White - Use values ranging from the darkest black to the lightest white. Use the whole range of grays. If working in pencil, use a soft lead (#2, #2B, #4 and #6B pencils are recommended).

Color - Use bright colors. Use a variety of colors and values (darks and lights).

Use drawing paper or other surface instead of notebook paper but try to stay close to 8 1/2 x 11 size. Please spend the necessary time to complete your artwork satisfactorily.
